**Bangladesh Participates in the Australian International
Sourcing Fair (AISF) 2011**

The Australian International Sourcing Fair (AISF) – the largest sourcing event of the year- is going to be held from 22-24 November 2011 at Sydney Exhibition and Convention Centre. Bangladesh is participating in the fair with some other countries. 18 exhibitors from Bangladesh will be showcasing their products in the Fair.

Exporting companies from Bangladesh will be showcasing readymade garments, sweater, leather products, jute products, fashion bags, home textile products etc in the fair. It is hoped that Bangladeshi exporters would be able to attract potential sourcing companies of Australia and New Zealand taking advantage of the existing duty and quota free market access.

Bangladesh High Commission in Canberra in Association with the Export Promotion Bureau of Bangladesh is facilitating and coordinating the participation of Bangladeshi companies in the AISF. A Trade Delegation from Bangladesh will also visit Australia during this period.

Apart from the three days exhibition (22-24 November) there will be a seminar presentation on 23rd November at 3.00 pm at the Fair venue that will highlight the sourcing opportunities in Bangladesh.
