Reunion is a happy event for the members to rejuvenate with the old friends. It will be the time when we will evoke memories of our glorious days at BUET campus between the years 1983 to 1988. It will be a joyful event for all the BUET 88 members as many will be meeting each other after long 30 years. This will also give an opportunity to the families to know each other.

This 30 year's milestone was celebrated in USA and Bangladesh by the BUET 88 members. In Australia, the momentum was created by the appointment of the new High Commissioner of Bangladesh to Australia HE Md Sufiur Rahman. Sufiur is a proud member of the BUET 88 club, who after graduating from BUET (Civil), entered the foreign services as a career diplomat. He has served as High Commissioner in Burma, Srilanka and Pakistan. Sufiur has graciously accepted to be the host of the grand reunion of BUET 88 Australia at his residence in Canberra.

BUET 88 members in Australia wishes a happy re-union to celebrate the 30 years of graduation.
