## Bangladesh Night 2011

### Charity Fund raising Dinner & Cultural Program

BAAC is organising the annual dinner on 2nd July 2011 at the Albert Hall, Yarralumla, ACT.

This year we will raise funds and donate to "Walk for Life" to help treatment for congenital clubfoot diseases in Bangladesh. It is an Australian charity to Bangladesh. <http://www.walkforlife.org.au>.

A souvenir will be published to mark the occasion. BAAC is seeking donation and sponsors to support this good cause. Sponsors will be able to place their advertisement on the souvenir.

**Every year in Bangladesh an estimated 5000 children are born with a clubfoot deformity.**

The congenital clubfoot is the most common serious birth defect of human bones and joints. Left untreated, the foot remains twisted inwards and becomes painful. Deformity leads to the downward spiral of disability, dependency, and demoralisation. The needs of these children add to the burdens of their families and communities, and are a significant cause of poverty. With your financial help, together with Rotary clubs around the world, and the dedicated Ponseti practitioners in Bangladesh, we can reach this target.

#### **To donate and sponsor, please mention details:**

Your name & contact: \_\_\_\_\_  
Organisation: \_\_\_\_\_  
Amount committed: \_\_\_\_\_

**Association's Bank Details:** Bangladesh Australia Association Canberra (BAAC),  
Bank - Commonwealth Bank of Australia,  
Account name- Society Cheque Acct, BSB 06 2900  
Account Number - 1062 2354
