

National Mosque Open Day at Quakers Hill Masjid

National Mosque Open Day at Quakers Hill masjid was a huge success as lots of people attended the program with high interest and enthusiasm. It was a great moment for the QH masjid as many non-Muslim brothers and sisters visited the mosque and asked many questions to our Imam. Will appreciate if you could publish a report with photos.

Federal MP for Chiefly Ed Husic, Councillor Moninder Singh, Cr Chris Quilkey and many other community leaders and local media were present. A large number of wider Australian Community member attended the program and asked many questions to the Imam of the mosque Sheikh Youssef. Copies of the Holy Quran and other information materials were distributed. They visited the mosque and enjoyed the delicious food, Kids had unlimited fun with Jumping Castle, Balloon fun, Fairy Floss, Freebies and Party bag.

From 10 AM to 4 PM people visited the mosque and enjoyed the good company of the Muslim brothers of Quakers Hill mosque.

It was a good initiative and everyone appreciated the efforts and services provided to them. We look forward to next year again.

Kind Regards.
