Condolences for National Professor Dr Jamilur Reza Choudhury (known as JRC).

Dear Fellow Engineers,

With great sadness and deep grief, many of you know that Our National Professor Dr Jamilur Reza Choudhury (known as JRC) passed away on 28th April 2020 by heart attack in Dhaka, Bangladesh (Inna Lillahe Wa Inna Ilahe Rajeun, May Allah grant him highest level of Janna). He was 77 years old.

Definitely the whole nation lost this great academic, researcher, engineer and exceptionally good person. IEB Australia chapter have had close contact with him even during the current pandemic situation. He was the instrumental for whole engineering community in Bangladesh including our chapter and left his legacy with us. Of his enormous contributions to various national issues and working with IEB Australia Chapter, last thing he did was "Preparedness of full Washington Accord Accreditation for Bangladeshi Engineering degrees". His inspiration and ongoing support to our IEB Australia Chapter is unforgettable.

On behalf of IEB Australia chapter, we are expressing our heartfelt condolences to him and his family.

Best Regards

Engr. Dr. AHM Kamruzzaman
General Secretary, IEB Australia Overseas Chapter

Engr. Abdul Matin, Chairman
